

QUALITY, ENVIRONMENTAL AND OHS POLICIES

ADAMPOL SA

vehicle logistics

Our Company is a reliable and trusted partner which provides services in the field of international and domestic car transport. We render services in the areas of transport, shipping and storage.

WE HELP CUSTOMERS

INCREASE THEIR COMPETITIVENESS

With the aim to accomplish this **mission**:

- we constantly gain the trust of our Customer by offering high-quality services in an accurate, reliable and timely manner,
- we increase Employee and Partner commitment into building a stable future for the Company, providing them with satisfying jobs in safe conditions as well as supporting their personal development and professional career at ADAMPOL SA,
- we strive to achieve a stable financial position which allows us to finance projects in the field of the Company's technological and organizational development,
- we aim to be a reliable and transparent partner that ensures the Company's growth while observing corporate social responsibility, i.e. caring for the local community and the natural environment,
- we rationally use raw materials, materials, fuels, energy and water,
- we consciously conduct waste management with the aim of its minimisation,
- we comply with legal requirements and principles in the field of occupational health and safety,
- we seek to continuously improve the OHS system and its results as well as prevent accidents at work, occupational diseases and near-miss incidents,
- we take effective actions towards developing Quality, Environmental and OHS Management System,
- we conduct a breakdown prevention policy.

The consistent implementation of the abovementioned objectives will be supported by the integrated Quality, Environmental and OHS Management System. Therefore, we undertake to comply with EN-ISO 9001:2015, EN-ISO 14001:2015 and EN-ISO 45001:2018 standards as well as laws concerning environmental protection and OHS, as well as provide personal supervision and arrange necessary measures that foster its maintenance and development.

We are willing to constantly implement the Quality, Environmental and OHS policies, which will lead to Customer and third-party satisfaction as well as the Company's success.
